SUBJECT: Calendar Year 2016 Waiver of Annual Pay Limitations for Certain Employees

Eligible Department of Defense (DoD) employees are authorized an increase to the calendar year (CY) 2016 premium pay limitations, as defined by the provisions of section 5547 of title 5, United States Code (U.S.C.), if they perform work in direct support of, or directly related to, a military operation, including a contingency operation or an operation in response to a national emergency declared by the President. Operation FREEDOM'S SENTINEL and Operation INHERENT RESOLVE are contingency operations under section 101(a)(13) of title 10, U.S.C., and the President continued a declaration of a national emergency related to Iraq. Eligible employees are those assigned to an overseas area of responsibility of the Commander, U.S. Central Command (USCENTCOM) or an overseas location that has been moved from the USCENTCOM area of responsibility to the area of responsibility of the Commander, U.S. Africa Command (see Appendix A in the attached document). By agreement with the Under Secretary of Defense for Intelligence (USD(I)), this increase is again administratively extended to employees covered by the Defense Civilian Intelligence Personnel System (DCIPS) who meet the criteria above.

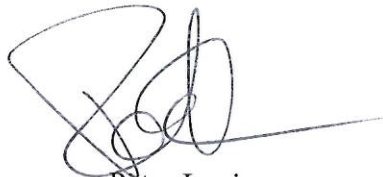

The increase is authorized by exercising the waiver authority resulting from section 1101 of the Duncan Hunter National Defense Authorization Act (NDAA) for Fiscal Year (FY) 2009, Public Law 110-417, October 14, 2008, as most recently amended by section 1108 of Public Law 114-92, November 25, 2015, the NDAA for FY 2016. Sections 1601-1603 of title 10, U.S.C., provide authorities for DCIPS employees. Eligible DoD employees who are granted a waiver under these authorities will be covered by a higher annual premium pay cap and will be entitled

to premium payments to the extent the employee's combined payable amount of basic pay and premium pay for CY 2016 does not exceed the annual rate of salary payable to the Vice President under section 104 of title 3, U.S.C., which is \$237,700.

In addition, subsection 1101(b) of the NDAA for FY 2009, as amended, continues to apply and provides that the aggregate limitation on pay under section 5307 of title 5, U.S.C., will not apply to an employee in CY 2016, if the employee is granted a waiver of the normally applicable premium pay limitations under subsection 1101(a). Subsection 1101(c) of the NDAA for FY 2009, as amended, also continues to apply and provides that any payments made under the subsection 1101(a) waiver authority resulting in additional premium pay of a type normally creditable as basic pay will not be considered basic pay for any purpose (e.g., retirement). Further, such additional premium pay may not be used in computing lump-sum payments for accumulated and accrued annual leave under section 5551 of title 5, U.S.C. For 2016, by agreement with the USD(I), these provisions also apply in the same manner to employees covered by DCIPS.

The attached guidance, initially distributed for the increased limitation for CY 2010, remains in effect, and has been updated to reflect the changes applicable in CY 2016.

As stated

**2016 Waiver of Annual Premium Pay and Aggregate Pay Limitations  
United States Central Command Area of Responsibility for Employees  
Covered by 5 U.S.C. §§ 5547 and 5307; and 10 U.S.C. §§ 1601-1614**

Premium Pay Waiver

Section 1101(a) of the Duncan Hunter National Defense Authorization Act (NDAA) for Fiscal Year (FY) 2009, (Public Law 110-417), as amended, was further amended by section 1108 of the NDAA for FY 2016, (Public Law 114-92), by striking “through 2015” and inserting “through 2016.” It authorizes the Secretary of Defense to waive the annual premium pay limitation resulting from section 5547 of title 5, United States Code (U.S.C.), or a similar limitation otherwise established for employees, up to the annual rate of the salary payable to the Vice President pursuant to section 104 of title 3, U.S.C., which is \$237,700 for Calendar Year (CY) 2016. This waiver authority applies to Department of Defense (DoD) employees who (1) perform work while in an overseas location that is in the area of responsibility of the Commander, U.S. Central Command (USCENTCOM) or an overseas location that was formerly in the area of responsibility of the Commander, USCENTCOM but has been moved to the area of responsibility of the Commander, U.S. Africa Command (USAFRICOM); (2) are subject to the provision of section 5547 of title 5, U.S.C. or a similar limitation otherwise established; (3) are assigned to an overseas location in the USCENTCOM or the USAFRICOM areas of responsibility specified at Appendix A for at least 42 consecutive calendar days; and (4) perform work in direct support of, or directly related to, the response to a national emergency declared by the President or a military operation, including a contingency operation as defined in section 101(a)(13) of title 10, U.S.C. (Note: Operation FREEDOM’S SENTINEL as of the date of this memorandum has been determined by the DoD to be a contingency operation under section 101(a)(13) of title 10, U.S.C.; Operation INHERENT RESOLVE has also been determined to be a contingency operation; and the President has continued a declaration of a national emergency in Iraq).

By agreement with the Under Secretary of Defense for Intelligence (USD(I)), the annual premium pay cap for employees under the Defense Civilian Intelligence Personnel System (DCIPS) is waived up to the annual rate of the salary payable to the Vice President pursuant to section 104 of title 3, U.S.C., which is \$237,700 for CY 2016. This waiver authority applies to DoD employees covered by DCIPS who meet the four specified criteria described in the paragraph above.

For all covered employees, the increased annual premium pay limitation was effective on January 1, 2016, and applies to premium payments payable to an eligible employee during CY 2016.

Employees may be paid premium pay only to the extent that the payment does not cause the total of his or her basic pay and premium pay payable in CY 2016 to exceed \$237,700.

The increased premium pay cap cannot be applied to premium payments earned before an

employee is assigned to the USCENTCOM or the USAFRICOM areas of responsibility specified at Appendix A, but those payments will be counted toward the higher limitation if paid during CY 2016.

Employees assigned to Iraq or Afghanistan for at least 42 days are deemed to meet the eligibility requirements for the increased premium pay cap and no further determination regarding these employees is required. Determinations about whether employees in other USCENTCOM or USAFRICOM overseas areas of responsibility (Appendix A) perform work that meets the four eligibility criteria described in the first paragraph above, i.e., whether the employee is performing work in direct support of, or directly related to, the response to a national emergency declared by the President or a military operation, including a contingency operation as defined in section 101(a)(13) of title 10, U.S.C., must be made on a case-by-case basis.

Secretaries of the Military Departments and the Heads of Defense Agencies and DoD Field Activities with independent appointing authority on behalf of themselves and their serviced populations are hereby delegated the authority to determine when employees, other than employees assigned to Iraq or Afghanistan, meet the eligibility criteria. This authority may be further delegated, in writing, to managerial and supervisory levels deemed appropriate.

For employees who were serving in the area on January 1, 2016, the 42 consecutive days may include days served in 2015. The 42 consecutive days also may include days served in Afghanistan in 2017, although the higher annual pay limitation addressed in this policy will apply only to premium pay payable in 2016.

#### Aggregate Pay

Pursuant to section 1101(b) of the NDAA for FY 2009, as amended, the CY 2016 aggregate pay limitation of \$205,700 for total annual compensation does not apply to employees covered by section 5307 of title 5, U.S.C., or similar limitation (such as sections 1601-1603 of title 10, U.S.C.) for whom the annual premium pay cap is waived under this policy. These employees are limited to base pay and premium pay payable in 2016 not to exceed \$237,700, but all other compensation that normally would be subject to the aggregate pay cap in section 5307 of title 5, U.S.C., or similar limitation, will be paid as it is earned. By agreement with the USD(I), this aggregate pay limitation waiver also applies in the same manner to employees covered by DCIPS.

#### Additional Guidance

When an eligible employee (including an employee covered by DCIPS) no longer performs work in support of a declared emergency or a covered military operation or when the employee is reassigned to a position outside the covered geographic area of responsibility, the employee will be subject to the biweekly limitation for that position and location as established by section 5547 of title 5, U.S.C., or under sections 1601-1603 of title 10, U.S.C., as applicable.

The higher annual limitation on premium pay established under section 1101 of the NDAA for FY 2009, as amended, and for DCIPS employees by this policy, will apply during CY 2016 to an

employee's annual basic pay plus premium pay even after the employee has stopped performing work covered by section 1101 of the NDAA for FY 2009, as amended, and implemented by this policy. After an employee stops performing covered work, the employee's earnings again will be subject to the biweekly premium pay limitation under section 5547 of title 5, U.S.C., or sections 1601-1603 of title 10, U.S.C., as applicable. Employees still could receive premium payments up to the biweekly premium pay limitation each pay period until the \$237,700 annual premium pay limitation under section 1101(a) of the NDAA for FY 2009, or this policy, as applicable, is reached. (Note: If such an employee's aggregate projected basic pay plus premium pay payable for 2016 is less than the annual limit established under section 5547 of title 5, U.S.C., an agency may invoke that annual limit, if appropriate, and pay premium pay in excess of the biweekly limit. Once the section 5547 annual limit is reached, the employee would be again subject to the section 5547 biweekly limit and simultaneously subject to the \$237,700 annual premium pay limit).

If an employee's premium pay limitation is increased to \$237,700 as applicable and, at the end of CY 2016, the employee did not meet the eligibility criteria, the employee must reimburse the Department for premium payments made in excess of the applicable limitation. The debt collection process for current and former employees is outlined in DoD 7000.14-R, "Department of Defense Financial Management Regulation," Volume 8.

To the extent that a waiver results in payment of additional premium pay of a type that is normally credited as basic pay for retirement or any other purpose, such additional pay shall not be considered to be basic pay for any purpose, nor shall it be used in computing a lump-sum payment for accumulated and accrued annual leave under section 5551 of title 5, U.S.C.

Time and attendance and electronic personnel and payroll procedures established in 2009 remain essentially the same. Timekeepers should continue to provide the Defense Finance and Accounting Service (DFAS) with the necessary data on employees who are projected to work in a covered overseas location for a period of at least 42 consecutive days.

Authorized management officials should ensure personnel records are established in the Defense Civilian Personnel Data System (or equivalent) and DFAS is provided the required data even if the employee has departed the overseas location prior to the issuance date of this policy. Authorized management officials also must update personnel records when an employee departs the area prior to meeting the 42 day eligibility criterion.
